

## **GC32 CLASS RULES 2018 V 1.7 - Questions and Answers No 5**

These Q&A is given in accordance with the GC32 Class Rules 2018 V1.7

### **Question 1:**

Is it allowed to use 2 battens in the same pocket in a jib?

### **Answer 1:**

No, it is not permitted to add material to the original batten (see C 11.1 (d)). Putting a second batten is adding material.

### **Question 2:**

Is it allowed to add materials around the top mainsail car lashing?

### **Answer 2:**

The mainsail is only maintained to the cars by lashing, eventually protected by electrical tape. Any other materials are forbidden.
