

## GC32 TEAM FRANCE – FOR SALE – READY TO RACE

Built in 2012 and bought by Team France in 2016 to train their sailing team for the America's Cup. The boat participated in the GC32 Racing Tour 2016 and 2018. Excellent results for this boat winning both of those two editions under the colors of Norauto "Powered by Team France".

Developed and prepared by Franck Cammas' team, this boat took also part in the first two events of the GC32 Racing Tour 2019.

Boat is fully equipped and ready to race in excellent conditions. Boat branding has been removed. Two full sets of sails from 2018 and 2019 are available with the boat (see full inventory list on next page). Current location of boat with its 40ft container is in Lorient, Brittany, France.

**Price including container with full inventory ex VAT: € 180,000**
